Greensafe International Pt Ltd was engaged by the Housing & Development Board (HDB) on 3 Sep 12 to conduct 4 runs of the 4-day 'Construction Safety Course for Project Manager'. The classes started on 25 Sep 12 and should be completed on 31 Mar 13. Altogether, about 80 HDB Project Directors will go through the training and test.

At the preparation stage, Greensafe International Pt Ltd has been forthcoming in working with us to make the course more relevant and useful to our Project Directors. Case studies and video clips have been included in each module to make the course interesting and informative. The course notes is also comprehensive and concise. Our Project Directors found the pace of the course just right, allowing them to discuss and learn about construction safety and the WSH Regulations.

We thank Greensafe International Pt Ltd for the good service rendered to us.
